AXENT

SWITZERLAND

2021/2022 PRODUCTS

SWISS ROOTS, GLOBAL INNOVATION.

Switzerland's reputation for producing the world's highest-quality goods is exemplified in the country's renowned timepiece industry. Swiss watches are known for their beautiful design, exceptional quality, lifetime reliability, and unwavering value. Their craftsmanship and ingenuity are a reflection of the Swiss culture's diverse education and lessons learned by artists, architects, engineers and scientists from around the world. Inspired by these same principles, AXENT's global team continuously fuse their regional expertise to create the highest quality intelligent toilets, elegant sinks, luxurious vanities and cutting-edge bathroom technologies.
