

## HEATED TOWEL RACKS

- ELEVATE YOUR BATHROOM EXPERIENCE WITH A STYLISH AND PRACTICAL UPGRADE
- DRY WET CLOTHING, PREVENTING THE SPREAD OF GERMS
- IDEAL FOR HOTELS, SPAS, AND BOATS
- LARGER MODELS CAN FUNCTION AS SPACE HEATERS
- REDUCE LAUNDRY AND ELIMINATE DAMP, MUSTY-SMELLING TOWELS

### HIGH-QUALITY & PRACTICAL

Our Heated Towel Racks are made from high-quality, environmentally-friendly 304 stainless steel. They are available in various finishes, so you can choose the perfect style to suit your bathroom décor. Heated towel racks can also be used as drying racks in laundry rooms, mud rooms, and pool areas, providing added convenience and functionality.

### SAFE & ENERGY EFFICIENT

Our Heated Towel Racks are UL or ETL-approved for safety in Canada and the USA, giving you peace of mind. In addition, our models consume minimal power, with some equivalent to just one or two light bulbs, so you won't have to worry about high energy costs.

### CUSTOMIZATION & ACCESSORIES

We also offer custom finishes, special order sizes, and hydronic options, allowing you to create the perfect Heated Towel Rack for your home. Plus, our Jeeves Collection offers Wet-Rated Kits for installation above bathtubs, shower areas, and wet rooms.

### COMFORT & HYGIENE

Upgrade your home today with the ultimate in luxury and convenience. Enjoy warm, fresh towels every time you shower, reduce laundry, and eliminate damp, musty-smelling towels. Our versatile Heated Towel Racks are perfect for any room in your home and are proven to reduce bacterial growth in towels by up to 99%.
