Custom Options: Add a Rail

Customize your niche with a rail. Options to pick a custom rail color make this product a statement piece. Rails can be ordered as a standard rail which is the same finish as the niche, or as a custom rail which is a different finish from the niche.

Top Row: Y-9WHT-RL-BRGD , Y-9BGD-RL-BGD, Y-9BLK-RL-BBRS

Series Origin: Hammered Texture

The beautiful hammered texture adds warmth to your bathroom. All custom finishes shown are available in a hammered texture. So for example if you would like to order a hammered texture in a brushed gold finish, go right ahead. Hammered niches can be ordered with rails as well. To order a hammered niche, simply add the suffix -HMD to the product.

SERIES Origin: The groundbreaking series of stainless steel niches is available in two installation styles, Flushmount and Undermount. The sizes mentioned here are the final visible installed sizes of the niches.

Note: To calculate the price of a product with custom options, select the finish from Table A and add the price listed in Table B for the customization. Standard rails are the same finish as the product and custom rails would be a different finish specified.
